**Dr. Bachchu LAL's visit for India 2017 from February 27<sup>th</sup> to April 5<sup>th</sup>**

:

**February 27<sup>th</sup> 2017: I will be arriving at Delhi around 2.45 PM.,**

**February 4<sup>th</sup> 2017: Mr. Raju Charles will go to see dalit Hostel at Meerut, where Mr. Jaipal Singh, (organizer of the hostel) is asking us to establish a computer center. I am also agreeing with him and willing to provide 10 computers. Mr. Raju Charles will back Delhi same day. Dr. Bachchu LAL will make all the arrangements.**

**February 27<sup>th</sup> 2017, evening: Meeting with Dr. Udit Raj, MP, government of India. Dr. Bachchu LAL and Mr. Raju Charles will go together.**

**February 28<sup>th</sup> 2017: Bachchu LAL and Mr. Raju Charles, will go to meet with Honorable Ramvilas Pashwan, Union minister, Government of INDIA. Meeting with these people is our goal to get their help to Register**

**[www.theiidea.com](http://www.theiidea.com)**

**; under charity act 12A & 80G followed by FCRA clearance. This registration will facilitate us to help poor Dalits more efficiently. Dr. Udit Raj will help to meet with Ramvilas Paswan. Dr. Bachchu LAL will take train for Lucknow in the night.**

**March 1<sup>st</sup> 2017: Mr. Raju Charles, will take flight from Delhi to Lucknow. Dr. Bachchu LAL will make arrangements for stay at Lucknow and pickup from airport.**

**March 1<sup>st</sup> 2017, evening: Dr. Bachchu LAL and Mr. Raju Charles will be having meeting with the members of IIDEA, UP Committee at hotel Gomti.**

**March 2, 2017: Mr. Raju Charles and Dr. Bachchu LAL will visit Kanpur and Urai computer centers. In the night we may stay at Kanpur.**

**March 3<sup>rd</sup> 2017: Mr. Raju Charles and Dr. Bachchu LAL will proceed for Badanyu where we are planning to establish a computer center.**

**March 4<sup>th</sup> 2017: Mr. Raju Charles and Dr. Bachchu LAL will go to Delhi.**

**March 5<sup>th</sup> 2017: Dr. Bachchu LAL & Mr. Raju Charles, will take flight at 8.30 AM from Delhi to Pune to attend meeting at Pune.**

**March 6<sup>th</sup> 2017: Dr. Bachchu LAL will come to Delhi at 8.30 PM and will be staying at International guest house at Delhi University until March 9<sup>th</sup> 2017.**

**March 7<sup>th</sup>, 8<sup>th</sup> & 9<sup>th</sup> 2017: Bachchu LAL will be meeting**

**with IIDEA members at Delhi and completing work of IIDEA registration under 12A & 80G.**

**Mr. Amar Singh:**

**1- Please book International guest house from March 6<sup>th</sup> night to March 9**

**th**

**night because I have train for Lucknow in the night.**

**2- Please also book the guest house the day you want to have IIDEA delhi members meeting.**

**3- Please also buy a sim card for me and I will bring phone with me. This phone will be remaining in Delhi and will be used by IIDEA guest.**

## **Proposal of the projects during visit to India for 2017:**

**I am visiting India from February 27<sup>th</sup> 2017 to April 5<sup>th</sup> 2017.**

**Mr. Raju Charles, Teach International, is also visiting India in the month of February – March 2017.**

**DANRIA's aim is to help poor Dalits for education by establishing computer centers, evening coaching centers and Sewing center for women to get rid of manual scavenging. DANRIA is collaborating with [www.theiidea.com](http://www.theiidea.com) to run these centers.**

**DANRIA's plan:**

**1- Establish three computer centers with evening coaching centers and one sewing center in UP, India in 2017.**

**2- Provide extended help to Mr. Mahesh Prasad Balmiki to whom DANRIA already helped via providing Rs.80k in 2016.**

**Computer center in dalit hostel, at Meerut, UP:**

**This Hostel is run by Dr. Ambedkar Shoshit Samaj Shiksha Prashar Samiti, Meerut, UP., under supervision of Mr. Jaipal Singh, Retired, Joint Commissioner, of UP Cadre. Mr. Jaipal Singh is currently holding position as President of IIDEA, Central Committee, Delhi. This hostel have 17 functional room where about 30 students are living & getting free food, books, stationary and any tuition fee support. These students go for education in different schools depends upon their need and grade of education. Few students already got their bachelor degrees while living here. Recently five rooms were more added in this hostel in which Mr. Jaipal Singh is willing to establish a computer center as well as a library. To establish Computer Center and Library, this hostel need support**

**about \$2000 for computer center and \$2000 library.**

**Why Computer Center is essential: The students who are living in this hostel came from very poor back ground. Most of them are from manual scavengers or manual labor's families who were not able to go any school. Mr. Jaipal Singh talked with their parents and brought these students in the hostel. He always keep doing this practice to help por kids who are not going to school. This hostel is running from last about 10 years and growing slowly but we do have limitations to take students because of fixed accommodation. In the current education system, computer training is very essential to move forward and look whole world on the screen. If these students need to go for computer training that requires more money and time which is not affordable for the organizers and students. Computer Center in this hostel will provide more confident & develop strong educational background among these poor students.**

**Why do we need library in this hostel: Hostel organizing Committee is willing to have a library in which we can keep**

## **literature?**

**1- Related to Dr. Ambedkar which will help students to develop more understanding for ambekarism.**

**2- General knowledge books.**

**3- Books for competitive examinations.**

**4- Old used books will be collected to provide help on time to the needy students in the society.**

### **Budget for Computer Center & library:**

**1- Ten computers @ \$150 each.□□□□□□□□□□□□□□□□**  
**\$1500.00**

## **Sewing center at Urai:**

**Mr. Bhaggu LAL, Balmiki will be responsible for these centers. He is already taking care for Urai computer center.**

## **Budget for sewing center in Urai:**

**Five sewing machines @ \$100 each = \$500.00**

**Contribution of salary for the teacher = \$50/month  
(\$600/year).**

## Total Budget:

**\$3500.00** Computer center Meerut Hostel

**\$1900.00** Urai computer center

**\$1150.00** Badayun Computer center

**\$1100.00** Sewing center URai

**\$300.00** Mahesh Balmiki, IIT Student

**\$7950.00** Total

**Prepared by**

**Dr. Bachchu LAL**

## **Bachchu LAL's visit to India report from November 5<sup>th</sup> to December 24<sup>th</sup> 2014.**

**November 5<sup>th</sup> 2014: Meeting with Mr. Amar Singh (Delhi), Sunil Lahot (Delhi) and Mr. Mahendra Prakash (Lucknow), to discuss IIDEA's tax issues, and IIEDA's registration under 12A & 80G. The same day travelled to Punjab to meet some of IIDEA's supporter to establish IIDEA branch. Mr. Sunil Lahot and his brother accompanied to help on this issue.**

**November 7<sup>th</sup> 2014: Meeting with Mr. Bezwada Wilson, a renowned social activist who is dedicated and devoted to the cause of safai karmacharis. He is the Convener of Safai Mazdoor Andolan, in India that won the Supreme Court Judgement for safai karamcharis which in turn resulted in the Manual Scavenger Act 2013. Discussions on several issues of cooperation on helping manual scavengers to improve their safety and education were held.**

**Mr. Wilson showed proceeding and judgment of Supreme Court in favor of manual scavengers who died in the line of duty while cleaning sewage. As per the documents, those who died since 1993 due to cleaning of sewage their families must be compensated with Rs.10 lakhs provided they can produce death certificate indicating that the person died during sewage cleaning and at that time he was employed with an organization regardless government or non-government. He also showed lots of cases, that he is collecting to file the case for the compensation. In my opinion, we need to support him but currently this Safai Karmchari Andolan is not registered under any government regulatory agency. I also met with Ms. Bhasha Singh, reporter of Outlook Magazine. She is also supporting Mr. Wilson in his Safai Karmchari Andolan.**

**November 13<sup>th</sup> 2014: Attended function which was jointly organized by the Government of India and UP state government, at auditorium of Sugar Cane Research Institute Lucknow. The aim of this function was to distribute Rs. 40,000 (INR) to the identified manual scavengers in UP. They identified only 3700 manual scavenger in UP. Minister himself distributed few check/pay orders to the manual scavengers. Mr. Shyam LAL Balmiki, Payagpur, requested to the minister that if you really want to rehabilitate these manual scavengers then please provide them better job because these people cannot do any businesses in the villages even in cities,**

**there are several hurdles to get the loans to start businesses.**

**November 16<sup>th</sup> 2014:Attended a function at Saharanpur, UP which was organized by Mr. Jaipal Singh, President, (Ph. No. 941-270-1733), Dr. Ambedkar Shoshit Samaj Shiksha Prasar Samity, Meerut UP at I.M. A. Hall, Near Sadar Thana, Saharanpur. The aim of the function was to tell people that there is only one way for the development of Dalits is that we need to follow Dr. Ambedkar. Chief Guest of this function was Dr. Dharampal Peehal, Retied Dean, Faculty of Arts, Osmania University, Hyderabad. I advised to establish evening coaching centers and computer centers among these poor dalits to develop self-confidence for the education among these poor students.**

**November 26<sup>th</sup> 2014:Meeting to relocate one of IIDEA's Computer Center from Lucknow to Urai, UP. Mr. Rajesh Vidhyarathi, Mr. Santosh Kumar Valmiki and I, visited Urai. About 30 respected people of the dalit community were present at the meeting. IIDEA promised to relocate 3 computers with all the furniture and accessories will be relocated from Lucknow to Urai and if center will run smoothly then, IIDEA will provide more computers. We also requested to the organizers (Mr. Bhaggu LAL Valmiki, Mr. Mahesh Valmiki, 8543892757 and Mr. Kishori LAL Valmiki,**

**9839552844) of the function to start evening coaching center and fee for the teacher will be paid by IIDEA.**

**December 13<sup>th</sup> 2014: Mr. Shyam LAL Balmiki and his supporters along with me organized a function in Lucknow to honor scavenger community people who did any help for the development of the society along with educated people of the scavenger community who are doing social work for the community. This was a big function. Aim of this function was to develop awareness among this community and raise our voice for separate reservation for scavenger community. Most of the respected people of this community supported separate reservation for scavenger community. Organizing committee of the this function decided to call a meeting of the selected people from most of the cities of UP to join hands on this issue on December 21<sup>st</sup>, 2014 at committee hall of Lucknow Nagar Nigam.**

**December 21<sup>st</sup> 2014: Meeting on issue of separate reservations for scavenger community. Although, it was a very cold day but even then about 75 people of Lucknow and nearby cities came together to support this issue of separate reservation for this community.**

**December 24<sup>th</sup> 2014: Meeting at Valmiki Temple at Trilokpuri, Delhi: People of this community, have a Valmiki temple and in the area of temple they constructed one big room in which they provide evening coaching classes to poor boys and girls. When I visited this place then the classes were already in force. I, on behalf of DANRIA, promised to provide them 4 computers. One computer was promised by one of the local person. Mr. Raj Kumar (9811732595) with his supporters is running this center.**

**Conclusion: Visiting and sitting among our community is developing confidence and people are becoming more confident to focus on the education of the kids. Computer centers and evening coaching centers will help to boost up education level among our children.**

Introduction:

Baba Sahib Dr. Bheem Rao Ambedkar sacrificed his life to secure rights for Dalits in India and succeeded in putting the Dalit caravan on the way to progress. We can all see the result in front of us: discrimination against Dalits is legally banned. In fact, affirmative action has been integrated into our constitution reserving proportionate number of seats in jobs and educational institutions have been reserved for Scheduled Castes (SCs) and Scheduled Tribes (STs). As a result, some of us have succeeded in becoming educated and in government jobs. For these privileges we are indebted to Dr. Ambedkar as well as to

our society. We need to pay back to the society and push our societal caravan a bit further on the progress road.

The above mentioned organizations, namely, Innovative Institute for Development and Education of All (IIDEA) and Dr. Ambedkar NRI Association (DANRIA), have been established to enable us to pay back to the society and to push our society caravan a bit further on the road to "Liberty, equality, fraternity (brotherhood)".

Dr. Bachchu Lal has played key role in organizing the above mentioned organizations (IIDEA & DANRIA). He founded DANRIA in the USA; and decided to take tours of different states in India, meeting various Dalit leaders in various parts of India. With his help and the help of his new and old friends in India IIDEA has been founded. A brief synopsis of his tour of India is given in the Appendix-I.

In his tour of India In the last few years, Dr. Bachchu Lal has visited, Maharashtra, Delhi, Rajasthan, M.P., Bihar, Chandigarh, Haryana, UP & Uttarakhand. He met many social workers, community organizers and activists in many parts of India and kept in touch with many of them via phone conversations from the USA. With their help and

encouragement a trust called Innovative Institute for Development and Education of All (IIDEA) was founded in 2010 and registered in 2011. It was decided that IIDEA would try to help in educational projects as well as in developmental projects depending upon availability of funds, volunteers and partners. It was also decided that IIDEA will pay special attention for scavenger community, as this community happens to be at the very bottom of the social structure; and until the very bottom is raised, the whole society will continue to suffer from inequality and extreme disparity, injustice and strife in the society.

Dr. Bachchu Lal was also involved in founding another organization; it happens to be in the USA: Dr. Ambedkar NRI Association, (DANRIA) ([www.danria.org](http://www.danria.org)), Baltimore, MD, USA. It has tax exemption under 501(c)(3) (2007) and was established to help untouchables / underprivileged, poor in India, especially those coming from manual scavenging communities.

As aims and objectives of the two organizations, IIDEA & DANRIA are very similar it is but natural for them to collaborate. It is hoped that after IIDEA obtains FCRA, our US compatriots eager to help their brethren in India will find a suitable conduit to help via DANRIA – IIDEA route.

## **Aims and objectives of IIDEA:**

IIDEA's motto is to foster equality and justice in the society and organization's objectives are as follows:

1-Establish new schools, coaching centers, vocational training institutions, colleges, and universities for the downtrodden.

2-Prepare students for various competitive examinations such as IIT-JEE, AIEEE, IAS, MCE, AIPMT etc.

3-Establish hostels near educational institutions in cities for impoverished pupils.

4-Encourage individuals to form Self-Help Groups (SHG) of 10-20 people and implement the concepts of micro-insurance, micro-savings, and micro-credit within these groups. These groups will be joined together in democratic fashion. Some of the bigger groups may go on to form cooperatives of various kinds

## **Progress report of IIDEA for 2010/2011:**

After registration, IIDEA got support from Dr. Ambedkar NRI Association (DANRIA), Baltimore, MD, USA and Teach International, Inc, Maryland, USA to start educational centers among Dalits in poor localities in India.

### **Computer center at Lucknow (2010):**

IIDEA, with the help of DANRIA, established a computer center having five computers among poor scavenger community at Balmiki Colony, Daliganj, Lucknow. Students learn basics to use computer at this center. Initially it was free but currently students pay Rs100/= per month for a teacher who helps them to learn to use computers. Initially these students were scared to touch computers but now days the same students have achieved a measure of mastery over computers. ***This computer center was supported by Teach International and Wyn Stevens Foundation, USA.***

### **Computer center at Saharanpur (2010):**

DANRIA funded Rs.45,000/=for a computer center in among Dalit community, in Saharanpur, U.P., in collaboration with Suprabhat Samajik Sanstha, Saharanpur. Mr. Gaurav Dahia, was responsible for this center. He also started coaching center for English, Math and Science. Fee for non-Dalit students was Rs.500/- per month for each subject but fee for Dalit students was only Rs.100/month for each subject.

### **Donation to other organization:**

IIDEA donated Rupees 75,000/= to a Dalit hostel in Meerut. This hostel has 17 rooms and about 30 students live here. They get free food, books and tuition fee and students go in various schools for their studies. This hostel is run by Mr. Jai Pal Singh, President, Balmiki Shiksha Prasar Samiti, UP.

### **Teach Ideology of Dr. Ambedkar among scavenger community (2011):**

IIDEA also donated Rupees 7000/= (Rs.5000/= donations and Rs.2000/=travel expenditures) in Meerut for a meeting for awareness program to discuss Ideology of Dr. Ambedkar among

Balmiki Community. Mr. Amar Singh, Dr. Rahul Das, Mr. Ramesh Gehlot and Mr. Jilay Singh participated in the meeting.

### **Help by IIDEA to a women victim of Dalit atrocity in Bihar (2011):**

Parivartan Kendra is a registered organization, in Patna, Bihar. Its head office is in Patna and it is working in Vaishali and Patna districts of Bihar. Sunita Devi, a victim of Dalit atrocity, was helped via donation of Rs.5000/= to fix her back door, to protect herself from any more unwanted atrocity in the dark of night. This money was handed over to Ms. Versha Bela, President of Parivertan Kendra by Prof. Satinath Choudhary, DANRIA member and vice President of IIDEA.

***This money was contributed by Prof. Choudhary from his personal funds.***

### **Help for educational awareness program among very poor Mushahar, DOME and scavenger community in Bihar(2011):**

The condition, of Mushahar, DOME & scavenger Community in

Bihar is very bad, where Ms. Sudha Verghese is working among them. Prof. Satinath Choudhary, had a meeting with Ms. Sudha, and understood their programs and handed over Rupees 10,000 to Ms. Sudha to spend this money for educational awareness program among very poor mushahar, dome, scavenger students and parents.

### **Self help group (SHG) among poor dalits in Haryana, helped by IIDEA (2011):**

Mr. Sanjeeve Gharoo, Haryana, received Rs.9000/= from IIDEA, to start Self help group in Haryana. Dr. Bachchu LAL, President of DANRIA and convener of IIDEA, gave this money from his own funds. Functioning and Objective of the project: Each member will save one rupee per day and we will contribute the same. Each group will be having 20 members. This program will develop a habit of saving among these very poor people and these members will save themselves from illegal money lenders for their emergency needs. These illegal money lenders charge 10-20% interest per month for small loans that poor people take for their emergency needs. Mr. Sanjeeve Gharoo still did not submit any report. An official letter was sent to him requesting for the report.

### **Progress report of IIDEA (2012):**

## **Scholarship program for Education:**

Mr. Anand Kumar, TX, USA, a member of DANRIA and supporter of IIDEA, contributed \$500 (Rs.25,000/=) to DANRIA / year, to provide scholarship one boy (Rs.11,000/=) and one girl (Rs.11,000/=) from manual scavenger community in India. Application form and Requirements for scholarship are on the website of [www.theiidea.com](http://www.theiidea.com) .

## **Computer center at Leelmatha, Lucknow:**

IIDEA, paid Rs.55,000/= to establish computer center at Leelmatha, Lucknow. Mr. Mukesh Kumar, Mr. Santosh Kumar Valmiki and Mr. Chandra Prakash were witness for the project that Dr. Bachchu LAL, President of DANRIA and Convener of IIDEA, wrote a check for this project.

## **Dr. Rajgopal, Ph.D. Tamil Nadu/Karnataka (2012):**

IIDEA helped a student of scavenger community who had

appointment as Post-Doctoral Fellow in USA but he had no money for visa or air ticket. Mr. Amar Lal Machal (981-313-6939), Karnal, Haryana, send him Rs.20,000/= for his visa purposes because due to lack of money he was not able to apply for visa. When he got visa for USA then Dr. Bachchu LAL, president DANRIA ( [www.danria.org](http://www.danria.org) ) bought air ticket for him and also supported in USA on his arrival with the help of Mr. Ananad Kumar in Texas; as Mr. Anand Kumar lives in Texas while Dr. Bachchu Lal lives in Maryland and Dr. Rajgopal was coming to TX. We spend Rs.90,000/- on this project. I appreciated that Dr. Rajgopal has already refunded all the money by this time.

## **Computer center at Nirala Nagar, Lucknow:**

IIDEA / DANRIA established one Computer Center at Nirala Nagar, Lucknow. About Seventy thousands rupees were provided.

**Helped two Scavenger Community girls to go in class 11<sup>th</sup> & 12<sup>th</sup>**

**Lucknow:**

These girls were introduced by Mr. Ganesh Kumar, IIDEA member. IIDEA provided tuition fee, books and uniform and we will be providing help for class 12<sup>th</sup>.

### **Computer Center Teacher's salary:**

IIDEA is also bearing part of the salary of the teachers who are teaching at this center. IIDEA is bearing about Rs.5000/= per month.

### **Progress report of IIDEA (2013):**

#### **Computer Center at Nishatganj, Lucknow:**

IIDEA / DANRIA established a computer center at Nishatganj, Lucknow. This computer center was proposed by Mr. Santosh Kumar valmiki and Mr. Mahendra Prakash. Inauguration function was held on July 18, 2013. IIDEA spent about Rs.90,000/= to buy five computers.

## **Sewing Center and Evening Coaching Center in TN:**

Under supervision of Gautama Sakthiwel (09790233463), President, IIDEA Committee Coimbatore, TN. Address: 12 /88, Mahalakshmi Nagar, Udumalai Road, Pollachi-1, Coimbatore, 643003, TN. Mr. Gautama is Managing Trustee of Center for Social Service and Action. IIDEA / DANRIA helped to established a sewing center and three evening coaching center at Coimbatore and paid Rs.1,00,600/= (Rupees one lacks six hundred) for this project.

***Money has already been sent by IIDEA but DANRIA got big support from Teach International, Maryland, USA & Mr. Anand Kumar Balmiki, TX, USA. But some part DANRIA will bear.***

## **IIDEA office/Computer/Coaching center among poor dalit community in, Sultan Puri, Delhi: Establishment of computer center in slum area of Delhi:**

This computer center in Delhi will serve as office of the IIDEA. This project need Rs.100,000/=.

DANRIA is willing to start few coaching centers among poor communities in small villages or slum areas in 2014.

## **Proposed plan for 2014:**

Current status of most government schools is quite deplorable. And good quality private schools are too expensive for most Dalit students. Helping Dalit students attend private schools would be too expensive. Moreover, it will weaken the government schools further. For the same amount of money we can arrange for private coaching/ tutors for larger number of Dalit students attending government schools. As such, best option for organizations like ours (IIDEA & DANRIA) is to help Dalit students is to attending the government schools with some evening or after school coaching or tutoring. Therefor IIDEA is planning to establish about 20 evening coaching centers among poor Dalit communities. These coaching centers will be for the students from class KG to 12<sup>th</sup>.

Strategy for teaching them may be varied to suit the students and teachers. Possibly for some groups (of students) traditional teacher may be more suitable; on the other hand in certain circumstances “study-center” like environment may appear to be more suitable. Possibly students from various levels/classes may have to be clubbed together, or students of each class may have to be segregated for teaching. Possibly some difficult students may have to be dealt with separately. In certain places the coaching may be arranged to take place right after the school hours; while in other situations it may be better to arrange for coaching or the study-center to take place in the

evening. In some cases students may be charged a certain amount of fee or they may be taught for free. Students preparing to go to college may need special help in the 11<sup>th</sup> and 12<sup>th</sup> grades.

There are innumerable possibilities and innumerable ways to teach. In words of Dr. Bachchu Lal:

“When I was studying in B.Sc. at that time I was living in a scavenger community and for my survival, I was teaching about 30 students from class 1<sup>st</sup> to 5<sup>th</sup> in one batch and each student was paying Rs.10/= month and lot of times these students were not able to pay their fee. In second batch, I was teaching 3 students from class 6<sup>th</sup> to 10<sup>th</sup> and each student was paying Rs.15/month. By presenting this example, I would like to give a message that for these poor scavenger community people in a slum area of a big city Lucknow which is the capital of U.P., it was very tough for this community people to pay Rs.10/= month for their education.”

It will be for the local IIDEA working committee, in consultation with the concerned students and teacher(s), to decide the modality of teaching. Major part for teacher will be paid by

## IIDEA.

### **How can we establish an evening coaching center with the help of the IIDEA?**

- 1- Establish an IIDEA committee of 7 to 10 people of the community who can contribute at least Rs.50 o 100 per month.
  
- 2- Rs.30/= per month required from the parents of the students.
  
- 3- Hire teachers from our community who can charge less fee, specially focus on the students who are studying in class 11<sup>th</sup> to degree courses.
  
- 4- Prepare a budget for 10 months classes start from July 15<sup>th</sup> to May 15<sup>th</sup> for 10 months.

5- Discuss with your State IIDEA Committee.

6- Central Committee will pay every three months to the President of the Community, IIDEA Committee or IIDEA will make other arrangements to pay fee.

7- If some poor students need help for stationary then please make budget and submit a proposal to the state committee. Central will provide support.

8- In special consideration, if any student cannot pay Rs.30/= month then, IIDEA can consider these kind of students as no fee students and will be supported by IIDEA.

Else forget about all that has been mentioned above and let the local IIDEA working committee design and decide on their own strategy to accomplish their goal. As long as their activity has something to do with education (including physical educational, sports and games) and development, their activity should be fine with IIDEA.

**Request to our community:**

**Please join IIDEA and make some monetary, physical, mental or any other kind of contribution to help it serve our society. We are still not getting any help from the government. IIDEA is running solely with your help.**

इस सेमिनार में समाज के विद्यार्थी, खिलाड़ी, शिक्षा-विद्, प्रोफेसरज, एडवोकेटस, इंजीनियरस, आफिसरज, डाक्टरस, वरिष्ठ तमाम बुद्धिजीवि आमंत्रित हैं। सभी से अनुरोध है कि आप इस कार्यक्रम में परिवार सहित अवश्य पहुंचें ताकि आप से मिलकर समाज के लोचों व आपके विचारों व अनुभव सुनकर आपकी तरह कामयाबी की बुलंदियों को छू सकें। आज समय सोचने, सुझाव देने, एक-दूसरे निकालने या किसी से मांगने का नहीं है बल्कि काम करने, समाज के साधनहीन लोगों की मदद करने व अधिकारों को छीनने का समय है। पर समाज के Extra Ordinary Students, Players एवं विभिन्न क्षेत्रों में कार्यरत समाज सेवकों को सम्मानित भी किया जाएगा।

**मुख्य विचारणीय मुद्दे**

1. वाल्मीकि समाज (स्वच्छकार समाज) के शिक्षा के क्षेत्र में पिछड़ेपन के कारण व उनका समाधान एवं हमारा सामाजिक, आर्थिक व शैक्षणिक पर योगदान।
2. प्राईमरी से हाई स्कूल (कक्षा पहली से दसवीं) तक के बच्चों को स्कूल में कैसे पहुंचाएं और वे अपनी पढ़ाई बीच में न छोड़ें इसमें हमारा एवं शैक्षणिक दायित्व तथा सरकार से मिलने वाली सुविधाओं का लाभ लोगों तक पहुंचाना।
3. कक्षा दसवीं व बारहवीं के बाद बच्चों को Job Oriented व अन्य Professional Courses में पहुंचाने हेतु समाज के साधन सम्पन्न बुद्धिजीवियों का सामाजिक, आर्थिक व शैक्षणिक दृष्टि से योगदान।
4. हायर एजुकेशन में गरीब व साधनहीन विद्यार्थियों की आर्थिक मदद एवं उनके मार्गदर्शन हेतु सुझाव एवं आपका योगदान।
5. भगवान वाल्मीकि मन्दिरों व आश्रमों में धार्मिक आस्था के साथ-साथ शिक्षा के केन्द्र स्थापित करने बारे।

## About IIDEA:

Innovative Institute for the Development and Education of All (IIDEA) is a platform for anyone wishing to do something towards the Development and Education for “all” downtrodden segments of our society. Beneficiaries of our projects as well as providers of benefits have a good mix of people from all segments of society.

## Aim:

IIDEA’s aim is to foster equality and justice in the society and objectives are as below:

1-Establish new schools, coaching centers, vocational training institutions, colleges, and universities for the downtrodden.

2-Prepare students for various competitive examinations such as IIT-JEE, AIEEE, IAS, MCE, AIPMT etc.

3-Establish hostels near educational institutions in cities for impoverished pupils.

4-Encourage individuals to form Self-Help Groups (SHG) of 10-20 people and implement the concepts of micro-insurance, micro-savings, and micro-credit within these groups. These groups will be joined together in democratic fashion. Some of the bigger groups may go on to form cooperatives of various kinds.

5-Above mentioned democratic process will be focusing mainly to provide quality education to these people and bring up education level of these poor people, so that these people can compete with other students in competitions.

## **Resources:**

1-Use the existing infrastructure of schools and colleges more efficiently by encouraging after-regular school time for educational, social and cultural activities.

2- Use religious places for educational purposes for students.

3-Funds: Fund generation, via making members, submit projects to various national and International agencies and support from NRI members.

## **Infrastructure:**

1-Head office of the IIDEA will be in Delhi but branches of IIDEA shall be established at state or district or city or at any levels.

2- To establish a branch of IIDEA, smaller groups will be encouraged.

3-Funds must be deposited in one account directly or via sending to head office. Checks or drafts must be for IIDEA and

stating account number and account payee.

4-IIDEA account number, member list and projects will be posted weekly basis on the website ( [www.theiidea.org](http://www.theiidea.org) ) for every member.

## **Strategy:**

1-Each member must contribute at least one rupee/day or Rs.30/month or Rs.365/year or more as much anyone can contribute.

2-Each member may also help to bring two more members for IIDEA. This process will help to bring more members in IIDEA.

3-Funds may be used via approval of Head office but projects will be advised by the branch officials and grass root level and funds will be provided by the head office directly to the grass root level to the people who will be responsible to run the

project but monitoring will be done by the district and state officials.

4-To provide quality education, IIDEA, will help via providing, fee, books, stationary and coaching to the students after school hrs because now days as per government rules, any student should not be failed till VIII grade. A sub group, of teachers in the government schools, does not pay attention to dalit students because of several reasons. So result will be this that after grade VIII, our students will be ZERO after grade VIII and in class IX, they will not be able to compete with other students and then only option will be for dalit students to drop out from the school and start manual scavenging. This is the Brahminical Manuwadi politics against Dalits in INDIA, especially in small towns and villages where our poor manual scavengers are hardly surviving. This is the reason IIDEA must start this project as soon as possible from village levels.

5-Our goal is to start working as soon as possible at grass root level from small villages, towns and cities where our students of slum areas are studying in government schools.

## **Conclusions:**

Participation in the above mentioned social, educational, economic endeavors would unite all downtrodden people of the society. The program will also help to bring education levels up via providing quality education.
